*Our mission* is to maintain the continuity of companies in the markets. For companies seeking to raise debt or equity capital, we provide an independent view of critical issues, from the design of a capital raise strategy to leading strategic growth and change. We provide services to companies seeking to adjust their positions for listing in the stock market or companies seeking mergers and acquisitions - we do our work before and after the merger and acquisition.

We maintain the continuity and business sustainability of companies in the markets, especially ensuring the continuation of family businesses and increase market value.

We help our clients to develop and implement plans and programs for Corporate Governance & Compliance, Restructuring, Mergers & Acquisitions, Evaluation, Strategic Planning, Lead of Change Management, Design Organizational Structures & Human Resources and Corporate Social Responsibility, using the best practices, International Commerce System and local laws and regulations.

*Our advice* is tailored to your business requirements and objectives. We help to assess and prepare your optimal capital structure, Corporate Governance Best Practices and identify the most cost-effective, ensuring that you have ability to execute your growth strategy at acceptable levels of risk and increase investment.

*We provide advice* at all stages of the process, including assessment, independent annual, planning, and implementation operations evaluation, and selection of the right capital provider.

We provide consultation/advice related to Corporate Affairs (for Corporate Governance advice, Corporate Restructuring and Corporate Laws) for following services:

- Implementation Corporate Governance & Compliance Systems, Policies & Procedures, providing assistance in writing codes and charters, designing disclosure policy, directors coaching, and assistance in the area of internal control systems.
- Comprehensive Corporate Governance & Compliance Assessment, by Evaluation of Corporate Governance , Compliance Systems , Board Committees, Disclosure Transparency, Controls and practices for Companies.
- Independent Committee Representation and providing assistance in hiring independent board members.
- Independent Internal Investigations.
- Consulting of Management Restructuring Plan, and Mergers & Acquisitions.
- Information to assess the parties, and business.
- Dispute Resolution: Mediations, Negotiation and Strategic advice.
- Procedures of implementation the Arbitration.
- USA's corporate laws and issues. MENA's corporate laws and issues.
- Shaping Governance Laws and Regulatory & Compliance Counsel.
- Training on the role of the Board of Directors and Management Continuing Education Programs.

In addition to **William B. Wynne, Esq.** as Attorney at Law in the issues of corporate and commercial law, compensation and other different issues in the USA since 1984, our Corporate Affairs Department, is led by **Ahmed Aly Khadr LL.M.**
